

If you want a better BN – **back us!**

We are standing for Election - to help BN meet the challenges of the 21st c

For **TREASURER** VOTE **Duncan Heenan**

"Why do I want to get involved?"

duncanheenan@tiscali.co.uk

- In 2004 and 2005 BN spent £82,049 more than its income
- BN membership numbers have been falling for a decade
- BN's policy of commercialism has been badly carried out
- The result is financial weakness with nothing much to show for it.

Elect me as TREASURER and I will get expenditure under control."

I am a Chartered Accountant with a business career finishing in general management. A married naturist for over 30 years, I am happiest sailing, swimming, gardening and rambling – naked whenever possible. I live on the Isle of Wight.

BN's role is to proactively campaign to make this marvellous lifestyle more liveable for those who choose it.

The organisation needs a new focus!

For **PRESIDENT** VOTE **John Paine**

"BN needs

john-paine@talk21.com

- better management decisions, and to get rid of secrecy at the top
- a review of what BN does for ordinary naturists
- a vigorous strategy to tackle the sex pests on naturist beaches

Elect me as PRESIDENT and I will take urgent action on these matters."

I am a retired community development officer, a naturist for over 30 years. I have been BN Research & Liaison Officer, visited many naturist clubs and sites, and I regularly write articles for naturist magazines. I live in Oxford.

It's time for new people and fresh ideas - competently executed - to take BN into the future.

WE are part of that future!

For **VICE-CHAIRMAN** VOTE **Reg Barlow**

"BN is

reg.barlow@dsl.pipex.com

- like a pot-bound houseplant: it needs re-potting to give it a new lease of life
- there are many thousands more naturists than BN has Members
- BN needs to change and bring them in

Elect me as VICE-CHAIRMAN and I will make BN more attractive."

I am a civil service Training and Development Manager. This has given me the skills and competencies to make a real contribution to improving BN. I live in Margate.

What BN needs is - to be run by the few - supported by the many - for the benefit of all.

Our skills are needed!

As **INTERNATIONAL OFFICER** VOTE **Stuart Troughton**

"BN has

stuart@trognet.demon.co.uk

- been going down the tubes for years, how we - together - cure it is important
- clubs and individuals want a place they can be heard - BN should be that place

Elect me as INTERNATIONAL OFFICER and it will be that place."

I am a civil servant and used to organising and campaigning activity. I live in Gloucester.

Vote for us in 2007 - to change BN's direction. We stand for open and competent management, good governance, financial prudence. We want BN to become an effective campaigning and representative national body for naturism. We want improved representation of naturists' interests. **Make your vote COUNT** to move naturism out of the closet and for it to become a valid lifestyle choice in mainstream society.
